Introduction

Hello everyone! I hope you are all enjoying your summer. School is starting soon which means calendars will be cram packed full of sports, school functions, 4-H meetings and events. So, I decided to give monthly newsletters a try to help keep everyone up to speed with dates, events, results, or important information. I am hoping the newsletter is a big hit and is more eye catching than just a boring old email. As you all know, we are currently without an Ag agent and FCS agent. With that being said, things in the office are a little more hectic than normal but everything is being taken care of. This 4-H year will be an adjustment for both parents, 4hers, and this office as we have never had both agent positions vacant at the same time. I hope you enjoy the first edition of the 4-H Newsletter.

4-H Connect and Enrollment

With school starting soon, that also means that its getting closer to enrollment time for 4-H. August 1, 2017 everyone registered on 4-H connect will become INACTIVE. For a few weeks, 4-H connect will be closed so it can be updated and prepared for the upcoming 4-H year.. Enrollment will start September 1, 2017. Keep in mind that my email list comes from 4H connect, so if you want to get updates regarding anything and everything 4H register your kids as soon as you can so you don't miss out.. If you know of anyone who might be interested in 4-H please encourage them to sign up and give it a try. Let them know that 4-H is not just about showing livestock, and that there are programs to fit everyone's interest.
